

YONATHAN CALDERON

Mid-Level Full-Stack Developer

calderondev.com

WORK EXPERIENCE

FULL - STACK WEB DEVELOPER

Cober - www.cober.com.ar

03/2023 - Present

As a **Full Stack Web Developer** in the Marketing and Performance department, I play a pivotal role in driving impactful digital projects. My expertise spans both **front-end** and **back-end** development, where I led the creation of a **unified Design System** – a comprehensive library similar to Bootstrap, tailor-made for the company's brand. Additionally, I developed a bespoke Quote Generator that not only leverages technologies such as **HTML5**, **CSS3**, **JavaScript**, **Node.js**, and **Express** but also incorporates adaptable business rules. This flexibility allows the **Quote Generator** to seamlessly align with the varied needs of different sales teams, showcasing my commitment to delivering tailored solutions and reliability through rigorous **unit testing**.

SOFTWARE DEVELOPER

Deux It - www.deuxit.com

11/2022 - 03/2023.

Handled **PL/SQL** procedures and developed Forms tailored to specific user requests, **ensuring efficiency and user satisfaction**.

FULL - STACK WEB DEVELOPER

CALDERON 

CalderonDev - calderondev.com

05/2020 - 11/2022.

Crafted comprehensive websites from concept to completion, strategically leveraging technologies like **Next.js**, **React**, and **Node.js** to meet individual project demands.

SENIOR ELECTRONICS TECHNICIAN

Ful - Mar - www.ful-mar.com.ar

04/2014 – 05/2020.

Served as the primary reference in the technical service sector, efficiently overseeing and mentoring two team members, ensuring quality and timely solutions.

ABOUT ME

With over 3 years as a **Full-Stack developer** delving into diverse technologies, my **proactivity** and eagerness to contribute have always been highlighted. I possess strong **collaborative skills**, always driving for excellence and seamlessly blending within dynamic teams.
